Dear Parents and Guardians,

Your student, Madison McClure, was not present at Covid-19 testing this morning during their appointed time to test. According to the State School Board's policy of Test to Stay, each student must be Covid tested every two weeks in order to participate in face-to-face learning and extra curricular activities. As such, your student will need to be tested upon their return to school in order to be eligible to attend classes. The testing center is open every morning from 7:30-8:00 in the Eccles Theater lobby for missed appointments. If your student intends to continue their education remotely and no longer has a need to test to remain face-to-face, please notify your student's counselor to complete the appropriate paperwork.

Please reach out to Barb Swenson at [bswenson@pcschoools.us](mailto:bswenson@pcschoools.us) or call (435) 645-5650 if you have any questions or concerns.

Sincerely,

Roger Arbabi
